Profile

- An aspiring AI engineer passionate about deep learning, machine learning, and AI applications. Currently serving as the Secretary of Tensor Club, focusing on research, problem-solving, and innovation.

Professional Experience

Secretary

Tensor Club IOE Thapathali Campus

- Organized technical events and workshops on AI and deep learning.
- Led club initiatives to promote research and innovation.

Education

Bachelor in Computer Engineering

IOE Thapathali Campus [🔗](#)

Skills

Technical Skill

- **Programming:** Python, C++
- **Machine Learning & AI:** Deep Learning, Neural Networks, CNNs (learning)
- **Databases:** PostgreSQL (Intermediate),

Soft Skill

- Leadership (Secretary of Tensor Club)
- Problem-solving & critical thinking
- Team collaboration & communication
- Research & analytical skills

Certificates

- Associate Data Analyst [🔗](#)

Courses

Machine Learning Specialization

Coursera

Deep Learning Specialization

Coursera

Associate Data Analyst

Datacamp

Projects

AI-powered educational platform [🔗](#)

- **Hackathon at NCE College:** Developed an AI-driven learning platform.
- **Key Features:** Interactive assessments, personalized materials, and predictive analytics.

Thapathali Student App [🔗](#)

Contributed to AI integration and Backend functionalities.

Hand written Digit Recognition using C++ [🔗](#)

- Handwritten digit recognition in C++ using a neural network, Eigen, Qt, and grayscale preprocessing.
